### WHAT YOU'LL NEED:

Ingredients

Beaker

Stainless spatula  
or spoon

Digital cooking scale  
with gram accuracy  
(at least)

### PREPARATION:

Grind the soap flakes and add the chocolate powder, hazelnut oil and corn PO4. Stir thoroughly with a spatula making sure all the ingredients are incorporated. Add the essential oils and the perfume and stir again. After you heat the water mix it with the other ingredients. When well blended knead it until it's like a pliable dough, separate it into 3 pieces and roll each one into a ball. Let it dry for 2-3 days.
