Cleansing clay mask

Cleansing clay mask

Face mask with green clay and mild cleansers, with gentle lather, for easy rinse-off. Green clay draws out impurities and toxins from the skin, stimulates circulation, tightens pores and leaves a smoother epidermis.

WHAT YOU'LL NEED:

Ingredients

Beaker

Stainless spatula
or spoon

Digital cooking scale
with gram accuracy
(at least)

PREPARATION:

Dissolve the chelating agent into the water and then add Veegum so it becomes a gel. With continuous stirring add gradually phase II slowly and carefully, for it to be homogenized. When it's ready add phase III. In a different beaker prepare phase IV and then mix it with the main mixture. Finally when all the phases have been added, stir very well until it's homogenized.

USE: Apply to dry skin for 15 minutes and then rinse with water.

PACKING PROPOSAL:

Plastic or glass jar 100ml
