

## DIYIDEA/ FORMULA

### SUGAR SCRUB COCONUT LIME

# SUGAR SCRUB COCONUT LIME

DIYIDEA #3

Give your skin a unique feeling of wellness and natural care with the sugar scrub. With coconut and essential oils that combine to revive your senses, rejuvenate the skin and release and enhance the process of lipolysis.

## WHAT YOU'LL NEED:

Ingredients

Thermometer

Beaker

Stainless spatula  
or spoon

Digital cooking scale  
with gram accuracy  
(at least)

## INGREDIENTS

## FOR 100g

Vegetable petrolatum jelly	125g
Coconut oil	7g
Cypress essential oil	15 drops
Lime essential oil	25drops
Lemon essential oil	10 drops
Ivy oil	5g
White or brown sugar (depending on the granules' size)	110g

## PREPARATION:

Mix all the ingredients gradually, except sugar, until they are homogenized, at 35-40 ° C. Add the sugar and stir to make it even.

## USE:

Apply with gentle massage, ideally with glove and circular motions and then remove with lukewarm wet towel.

## PACKING PROPOSAL:

It can be packaged in a **Calima 300ml PET** jar with aluminum lid.

**YOU WILL FIND ALL THE  
INGREDIENTS AT OUR STORE  
BEAUTYLAB THE STORE**
