

## DIYIDEA/ FORMULA

CLEANSING MICELLAR WATER  
FOR ALL SKIN TYPES

# CLEANSING MICELLAR WATER FOR ALL SKIN TYPES

Quick and effective solution for removing make-up. Use this formula and remove your make-up and impurities without rubbing.

At the same time it hydrates your skin and leaves a sense of smoothness.

Centauera water reduces irritation and thanks to the innovative solubilizer PEG FREE-No5, the make-up is effectively removed without irritating the eyes.

INGREDIENTS	FOR 200g
Deionized water	175g
Natural solubilizer PEG FREE No5	4g
Centauera water	10g
Panthenol	1g
Sodium benzoate	0,3g

## DIYIDEA #6

### WHAT YOU'LL NEED:

Ingredients

Beaker

Stainless spatula  
or spoon

Scale

### PREPARATION:

Dissolve panthenol in the solubilizer and while stirring add the centauera water.

In the deionized water dissolve sodium benzoate and then mix it with the other mixture.

### USE:

Wet a cotton pad with the micellar and with gentle circular movements remove the impurities from face and eyes. Rinse with water if you want.

### PACKING PROPOSAL:

Glass or plastic bottle 200ml with lid.
