ANTI-WRINKLE BALM STICK WITH WILD ROSE

ANTI-WRINKLE BALM STICK WITH WILD ROSE

Rich texture natural balm, ideal for all hours!
It treats wrinkles especially around the eyes and lips.

Due to the high content of organic wild rose, it helps conditioning the wrinkles, restores the elasticity of the skin and covers the fine lines.
Cocoa butter and beeswax create a rich base that helps nourish and maintain the skin's moisture levels. It does not leave gloss and oiliness.
