FACE CARING OIL

FACE CARING OIL

Mix of vegetable oils for facial skin care.
The collection of vegetable oils through the process of cold pressure preserves all their beneficial ingredients.

Vegetable oils are rich in fatty acids, vitamins and sterols (antioxidants) that give hydration and toning to your skin, while protecting it from irritation and the action of free radicals.

WHAT YOU'LL NEED:

Ingredients

Beaker

Stainless spatula
or spoon

Scale

INGREDIENTS	FOR 25-30g
<u>Dry oil for base</u> (phytosqualan/grapeseed oil/coconut oil/coco-caprylate)	23-27g
<u>Medium oiliness vegetable oil</u> (argan oil/calendula oil/sea buckthorn oil/linseed oil/black cumin oil/pumpkin oil)	0,5-0,75g
<u>Fairly oily vegetable oil</u> (wild rose oil/ pomegranate oil/ baobab oil/evening primrose oil/hempseed oil)	0,25-0,5g
Essential oils blend- optional (sandalwood/frankincense/myrrh/ rosewood/mastic)	2-4 drops

PREPARATION:

Mix the oils and stir lightly.

USE:

Apply mostly in the evening on a clean skin and massage gently with upward motion.

PACKING PROPOSAL:

Glass or plastic bottle with customized dropper.
